Stadium Regulations for the FIFA Women's World Cup France 2019™

1. Scope of application

Unless otherwise expressly authorised by FIFA, and at all times subject to applicable laws, these regulations apply to all holders of a ticket (hereinafter a "Ticket") and/or accreditation (hereinafter "Accreditation") who enter a stadium during the final phase of the FIFA Women's World Cup France 2019 (hereinafter the "Competition"), organised by the Fédération Internationale de Football Association (hereinafter "FIFA") and the Local Organising Committee (hereinafter the "LOC").

Any reference to a stadium (hereinafter a "Stadium") in these regulations includes all the zones located within the inner and/or outer Stadium perimeter of a Stadium where a match of the Competition takes place, will take place or has taken place and in the immediate vicinity thereof (including all entrances and exits), which are only accessible to holders of a Ticket and/or Accreditation for the Competition.

These regulations replace, for the period during which a Ticket or Accreditation is required to enter the Stadium, the Stadium's regulations applicable to other matches played and/or events organised in the Stadium during other periods not connected to the Competition.

2. Stadium access

2.1 Access to the Stadium is only permitted upon presentation of one valid Ticket and/or Accreditation per person, regardless of age (including very young children). The Ticket and/or Accreditation shall be submitted for inspection at the entrance and inside the Stadium at the request of any person designated by FIFA and/or the LOC, or any police officer. An official ID document must be produced upon request. In the event of non-cooperation, access to the Stadium will be refused or the person will be removed from the Stadium.

2.2 The validity and use of Tickets or Accreditation are determined in accordance with the Competition's Ticketing General Terms and Conditions and/or such other terms and conditions applicable to Accreditation. Holders of a Ticket or Accreditation may only access the Stadium if they have a Ticket or Accreditation acquired and used in accordance with the applicable terms and conditions.

Tickets or Accreditation acquired from illegal/unauthorised sources are deemed void and invalid, the possessor of such an item will be denied access or removed from the Stadium and may be prosecuted.

2.3 Ticket holders under the age of 16 year are only allowed to enter the Stadium if accompanied by an adult (i.e. an individual aged 18 or older) and are then under the responsibility of that adult. The accompanying adult must also be in possession of a valid Ticket.

2.4 Holders of a Ticket reserved for special access to and within the Stadium ("Special Access Ticket") and accompanying persons with a valid companion Ticket ("Companion Ticket") may enter the Stadium

through designated accessible gates. FIFA and the LOC reserve the right to request proof of eligibility for the Special Access Ticket and/or Companion Ticket at the entrance to and within the Stadium at any time.

2.5 Companion Ticket holders will only be permitted access to and within the Stadium with the Special Access Ticket holder whom they are accompanying.

2.6 A Special Access Ticket for persons requiring a wheelchair or mobility scooter (hereinafter a "Wheelchair User Ticket") grants such ticket holders access to and within the Stadium only with their own wheelchair or mobility scooter (to the exclusion of any other type of seating). A Wheelchair User Ticket provides for a space free of obstacles for the wheelchair or mobility scooter that is brought to the Stadium by the Wheelchair User Ticket holder. Due to security and operational restrictions, wheelchairs or any other type of seating will not be provided to Wheelchair User Ticket holders.

2.7 Wheelchairs and mobility scooters brought to the Stadium by Wheelchair User Ticket holders must be equipped with 3 or 4 wheels. They must be no more than 700mm wide and 1,300mm long with a turning radius not exceeding 900mm and turning width not exceeding 1,500mm. Electric wheelchairs and mobility scooters must not be able to exceed a 6 km/h speed limit. Wheelchairs and mobility scooters whose parameters do not meet these requirements will be denied entry to the Stadium.

2.8 Unless specifically authorised by FIFA and/or the LOC, it is prohibited to drive and park vehicles in the Stadium.

3. Personal checks

3.1 Any person entering the Stadium is required to present and, upon request, provide, for verification purposes, his/her Ticket and/or Accreditation to a person designated by FIFA and/or the LOC, or to a police officer.

3.2 The persons designated by FIFA and/or the LOC, as well as police officers, are authorised to determine, in particular by means of technical devices, whether people represent a potential risk to public order, particularly if they have consumed alcohol or drugs, or if they have weapons or other prohibited items. Persons designated by FIFA and/or the LOC, as well as police officers are authorised to search the clothes of any person and to inspect any object in their possession.

3.3 Prohibited items shall be confiscated by any person designated by FIFA and/or the LOC or, where possible, must be put into "left luggage" by their owners. The aforementioned entities or their representative(s) may, for safety and security reasons, refuse to accept certain objects at left luggage.

3.4 Any person refusing to comply with these regulations or representing a security risk shall be denied access to the Stadium, without prejudice to any other action that may be taken against them.

3.5 Any person making unauthorised use of a Ticket or who is subject to a Stadium ban shall be denied access to the Stadium and shall immediately return their Ticket to FIFA and/or the LOC (as requested), in accordance with the Competition's Ticketing General Terms and Conditions. The same rule applies to the use of Accreditation that does not comply with the applicable Accreditation terms and conditions.

4.1 All persons entering the Stadium must:

- a) Conduct themselves in a way that does not cause harm, injury, danger, unnecessary obstruction or discomfort to others, and does not cause any damage.
- b) Follow the instructions of the persons designated by FIFA and/or the LOC, or the police, firefighters or other emergency services.
- c) Occupy the seats assigned to them on their Ticket and use the appropriate access routes. All persons are required to occupy a seat other than the one stated on their Ticket if they are requested to do so by a person designated by FIFA and/or the LOC, or by a police officer, for security reasons or for major organisational/operational reasons.
- d) Not persistently stand in seated areas during a match.
- e) Practise courtesy to Special Access Ticket holders and not use special access services (identified by a wheelchair sign or other sign) unless they are in possession of a Special Access Ticket or Companion Ticket or otherwise permitted by FIFA and/or the LOC, or by a police officer. 4.2 If a person is aware of any damage caused to any property or an accident in or immediately surrounding the Stadium, they shall immediately take the necessary steps to inform any person designated by FIFA and/or the LOC, or a police officer.

4.3 Access to and within the Stadium is restricted to the areas specified by a person's respective Ticket, Accreditation and/or, where applicable, a device granting additional access.

4.4 Exceptional requests may be made to prevent, limit or eliminate any danger of death or any risk to health or property. The instructions given by any person designated by FIFA and/or the LOC, or by a police officer, must be followed; non-cooperation may result in removal from the Stadium.

4.5 Waste and empty packaging must be deposited in the rubbish bins and containers provided in the Stadium. If the Stadium has a selective waste sorting (e.g. recycling) system, it must be respected.

4.6 Smoking, vaping and the use of all tobacco products as well as any electronic smoking devices are prohibited in the Stadium, except in "Outdoor Designated Smoking Areas" (if they are made available). Non-compliance with these smoking restrictions may result in removal from the Stadium.

4.7 Betting activities are prohibited in the Stadium.

5.3 All copyright, database rights and any other intellectual property rights in any recording and/or transmission that is not expressly permitted under Article 5.2 above is assigned (by way of present assignment of future rights) to FIFA. Any such person to whom this Article 5.3 applies shall (if and whenever required to do so by FIFA) promptly execute all instruments and do everything necessary to vest the right and title to and interest in such rights in FIFA absolutely and free of all encumbrances and other charges.
